<https://www.indiamart.com/orm-engineering/>

We are an ISO 9001:2008 certified company foremost Manufacturer, Trader and Supplier of a premium quality range of **Automotive Component**, etc. Besides, we also render excellent quality **Drilling And Tapping Service**, etc.

About Us

We are an **ISO 9001:2008** certified company established in the year "**2000**" at **Faridabad (Haryana, India)**, we "**Orm Engineering Pvt. Ltd.**" are a leading **Manufacturer, Trader and Supplier** of superior quality range **Automotive Component, Refrigerator Compressor Part and Tractor Part**. Our provided products are precisely designed for a variety of automotive vehicles like motorcycles & scooters, 3 & 4 wheeler passenger & cargo vehicles and light & heavy commercial vehicles. The offered range of components is manufactured using quality assured raw material and cutting-edge technology as per the predefined quality standards. These products are broadly acclaimed for their fine finish, high strength, easy installation, corrosion resistance and accurate dimensions. Our offered range is manufactured using the advanced machinery under the supervision of our adroit professionals. In order to meet the exact demands of our valuable clients, we offer the entire product range in different customizations as per the details laid down by the clients.

We also render **Drilling And Tapping Service, Centerless Grinding Service, CNC Machining Work**, etc. with utmost quality. Our experts render these services using advanced CNC machines and other related equipment that have complete control over the cutting process and allows for precise and accurate shapes that cannot be gained by other cutting methods.
